The country thrives off its "black gold", otherwise known as oil, that has been pulled from its core since 1932. Outside of oil and racing, Bahrain is a country full of exciting attractions, fantastic weather, and restaurants sure to fill a weekend with memories.

The country has many specialties when it comes to different cuisines. The Shawarma is lamb or chicken carved from a rotating spit and wrapped in a flatbread, whereas the sambousa is a crisp pastry case filled with meat, cheese, sugar or nuts. Both iconic items can be found throughout the city at different locations such as Shawarma Xpress.

Another highlight of Bahrain is the Gold City in central Manama. This Gold City is a bling-tastic collection of jewelry shops that will catch every shoppers eye. There's also the Bab Al Bahrain souk, one of Manama's oldest buildings, where you can find items such as perfumes, coffee, sheesha, and more all while you barter with the local hawkers.

Attend the 2019 Bahrain Grand Prix at the Bahrain International Circuit with F1® Experiences, The Official Experience, Hospitality & Travel Programme of Formula 1®, with access including driver meet-and-greets, Exclusive Pit Lane Walks and more!
